To Whom It May Concern:

Amy Tessler has asked me to complete a reference letter for her application into your program. Amy was my student in the Fall 2009 semester at McGill University. The course was titled "Integrating Educational Technology in the Classroom" (<http://www.edpt200.mcgill.ca>). Amy received an A for the course and her work was of superior quality. Amy falls in the top 5% of students I've taught at McGill over the last 13 years. She excels at anything she tries.

She is a bright articulate student who will succeed in whatever she undertakes.

If you need any more information or have a standard reference form that you'd like me to complete I may be reached by phone (514-825-3087) or by email (sam.bruzzese@mcgill.ca).

Sincerely,

Sam Bruzzese
