À utiliser pour noter les commentaires supplémentaires au rapport d'évaluation formative. Veuillez en remettre un exemplaire au stagiaire, et joindre l'autre à votre rapport.

Amy has been a student teacher in my Kindergarten class since September. She is devoted, adaptable and has an excellent rapport with the students and staff. Her manner is very calm and gentle. Ms Tessler's lessons are thorough and her choice of instructional materials and aids are effective. She uses her voice effectively to maintain the students attention. It is very evident that Amy has a natural ability to teach. She is excellent in motivating and generating active student participation.
